**ANNUAL REPORT  
2016**

# WHAT DRIVES US?

## ► VISION

To win a niche for ourselves in the areas in which we operate, by providing products and services of superior quality and value which best satisfy the needs of our customers; and in doing so, to bring about prosperity to our organisation, its people, its shareholders, its investors and the country at large.

## ► VALUES

To create an organisation incorporating the values of integrity and dedication; one which progressively evolves with time to meet the challenges of the future.

## ► PHILOSOPHY

It is our earnest belief that nothing of lasting and enduring value is created overnight. Everything worthwhile today is the result of yesteryears' work and vision and every successful tomorrow requires conceptualisation in the form of ideas and thoughts and crystallisation thereof through efforts to be put in today.

# CHAIRMAN'S MESSAGE

Dear Shareholders,

I am pleased to inform the shareholders that your Company was ranked 44th in Midcap 500 category and 4th in the Basic Materials (Midcap) Category in Fortune India's special issue on 'The Next 500' – The First Comprehensive Ranking of India's Mid-sized Companies, published in July 2016.

The year started with the speculative overhang still denting the prospects of the industry. However, as the year progressed, the commodity moved out of the speculative shadow resulting in the castor seeds being available to the crushers instead of going to the warehouses to support the speculative trades. With castor oil prices more in line with the fundamentals and stabilisation of the crude oil prices, the Castor Oil Industry has now better prospects as opposed to the previous year which had witnessed a contraction. The exports which were at 4,30,000 Mtons. in 2014, were 500,000 Mtons in 2015. The speculative activity finally came to a standstill when the new crop was visible and the early estimates showed that the Castor Seed crop was expected to be better than the previous crop of 12.7 lac Mtons. This resulted in castor seeds contract on the NCDEX crashing by about 20% within one month with a free fall of 10% from 25th January, 2016 to 27th January, 2016 forcing the exchange to compulsorily cut-off the contract arbitrarily. As an integral member of the industry, we had been trying to create awareness of these risks since last few years. Unfortunately, in spite of the action taken by the forward commission, which resulted in curbing the excessive speculative activities, the same could not be eliminated. With the reins of control now shifting to the experienced and all-powerful Securities and Exchange Board of India (SEBI) we can be assured of a more orderly market.

During the year, your Company has focused on managing its cost, debt structure and cost of debt amongst other initiatives. This exercise, along with improving the product mix of the Company, has led to improved performance for the year.

Your Company started as a two product company. Today the Company's product portfolio consists of more than 75 products. Each product requires anything between 5 to 15 years to develop. Many of these take years after commercialization to give a decent payoff. Your

Company has been consistently investing in Research & Development to develop these products and patiently nurturing them till they achieve commercial success. This requires a burning passion together with hard work and dollops of patience. The Company's joint venture for manufacturing bio-polyols in Vithal Castor Polyols Pvt. Ltd. started commercial production on 2nd April, 2016. In view of the soft crude oil prices, the project has taken off slowly and will take time before the sales reach substantial level of the plant capacity. Sebacic Acid, another project where your Company has invested substantially, is still facing competition from cheaper petroleum products and is therefore operating below its capacity.

Your management will continue to strive to maintain a sustainable performance by adopting and investing in the best practices, innovation, research and development and partnerships.

This year on 7th May, 2016, your Company reached an important landmark – it entered its silver jubilee year, having completed 24 years since its inception on 7th May, 1992. On 13th July, 2016 your Company also marks the completion of 23 years of listing. At a price of Rs 250/- it is a 100 bagger (after accounting for 1:1 split and 1:1 bonus) for the original investor in price appreciation alone, besides receiving dividend of over Rs 160 per share (Net of dividend tax). This performance is reflective of the philosophy of your management to create long term wealth and to distribute dividend after reserving sufficient capital for future growth.

Your Company's CSR expense has been below the recommended level for the 2nd year. This has been so only because of the time taken to put together a well-planned program together with a detailed execution and implementation program planned to make a long term impact in the chosen areas. Let me assure you that your Company takes its CSR responsibility with the same passion and dedication as the other business activities.

I still feel excited when I look at the future. I firmly believe that the best is yet to come. In this Volatile, Uncertain, Complex and Ambiguous (VUCA) world, this optimism arises from the passion and dedication of our employees, exemplary guidance of the Board of Directors and the unstinted support received from all the stake holders, including our customers, suppliers, bankers, associates, collaborators and last but not the least our shareholders. I would like to thank all of our supporters for their unflinching support and encouragement provided through all these years, in good times as well as in challenging times.

With Best Wishes,

Abhay V. Udeshi

ANNUAL REPORT  
2016

## Proud to be A Part of MAKE IN INDIA

What is common between Google, Microsoft, Pepsico, Diageo, Cognizant Technology solutions Corp, Reckitt Benckiser Group, Berkshire Hathaway Group, Master Card, DBS Group Holdings Ltd, ScanDisk Corp, Harman International and Adobe Systems Incorporated? They are all run by Indian origin CEOs. Together these companies represent the most successful and enterprising global corporates with a Market Capitalisation of over 1.2 trillion USD. Today, we have a number of globally acclaimed successful Indians across the world. Now, it is time we have a successful India.

With the success of the Mars Mission of ISRO at a fraction of the global comparative cost, there remains no doubt in the talent of Indians to undertake and run global projects or companies. 'Make in India', in our view is an attempt to leverage the young demographic Indian population and its copious entrepreneurial and managerial talent with global expertise, knowledge, capital, markets and opportunities. It is a marriage of colossal global markets with India's potential for manufacturing and globally supplying world class goods.

Our population is our biggest strength and our biggest

weakness, therefore it is important to feed the people with opportunities that will help them to fulfil their needs as well as their aspirations. By 2030 India will have 28% of the global work force represented by a billion people out of the total estimated population of 1.4 billion. The risks of unemployed, restless young population cannot be undermined. Our actions today will determine our fate - demographic dividend or demographic curse? It is therefore important to create job opportunities in the manufacturing sector, along with a continued focus on the service sector, to give gainful employment and a positive impetus to the Indian economy.

Jayant Agro-Organics Ltd's intense focus on Research & Development, commitment towards castor oil and its derivatives, years of efforts and experience has enabled your Company to develop over 100 products, which are consumed all over the world. Since its inception, your Company has been ingeniously engineering opportunities to manufacture, develop, partner global companies to supply Indian manufactured products to the world market. We are proud to be a part of this grand vision.

### 4. State of Company's Affair:

In order to avoid duplication and for the sake of better understanding the management discussions and analysis has been included in this sections of the directors report.

### 5. Management's Discussion And Analysis:

#### (a) Industry Structure and Developments and impact on the Company and its performance

The increase in crude oil prices and correction of the castor oil prices in line with the fundamentals led to a revival of worldwide demand of castor oil led by improved Chinese demand. China during the last five years has

emerged as the largest consumer of castor oil. With the sharp slowdown in the Chinese economy being arrested, the demand for castor oil, though way below the peak demand was significantly better than the previous year. Towards the end of the year the demand for sebacic acid saw a minor improvement. As you are aware your company has invested in a sebacic Acid manufacturing plant. Due to the subdued demand and excessive Chinese capacities the Company's sebacic acid plant continues to run at a low capacity.

The Indian crop estimated at 1,400,000 Mtons for the year 2015-16 with a record carry forward of over 500,000 Mtons would be sufficient to fulfill the world demand. With the demand for seeds estimated in the range of 13 to 15 lac tons there should be no supply concern.

In the current year the excessive speculation which was denting the prospects of the industry ended with the castor seeds contract being compulsorily squared on January 27, 2016. On 28<sup>th</sup> September 2015 another significant development took place. The Securities & Exchange Board of India (SEBI) was appointed as a regulator for commodities trading from 28<sup>th</sup> September 2015. With the reins of control shifting to a more powerful regulator, we can expect a well-regulated and orderly futures market in the future, which shall certainly be beneficial for all the participants.

## (b) Opportunities & Threats.

According to the International Monetary Fund the world economic growth for 2015 was at 3.15% and the projected growth for 2016 is at 3.4%. With more than 80% of your Company's production being exported, the state of the world economy, besides other industrial and scientific developments has an important bearing on its growth.

Your company's products are competing with end products manufactured from crude oil and other vegetable oils. The price behavior of castor oil in relation to them is likely to have a bearing on the growth of the company.

Environment being a major concern, the search for green products is likely to intensify in the future. Castor Oil being a natural, organic, renewable and bio-degradable product is gaining importance as a green product. With improved irrigation, better quality inputs and scientific farming there is a substantial scope to improve yields per hectare of castor seeds. Besides due to its unique chemical structure, it finds myriad applications in virtually every industry be it agriculture, lubricants, paints, inks, surface coatings, pharmaceuticals, food, engineering plastics, cosmetics, perfumeries, electricals, rubber and so on. Your company continues to endeavor to tap these opportunities by focusing on Research & Development and investing in new capacities, new technologies, new applications, and new products.

Castor Seeds continue to be a volatile raw material in terms of its price. Being an agricultural product, it depends on the rainfall and weather conditions prevailing in the area of castor growing States in the country, though it is a sturdy crop. The limited size of the crop makes it susceptible to speculation and wild gyrations in prices. To mitigate the effect of uncertain weather, the Company has laid down parameters for inventory management. The Company has proper mechanism in place to immediately respond to any unforeseen eventualities. The Company through its subsidiary is cultivating hybrid seeds to improve the productivity of commercial Castor Seeds

## (c) Segment

The Company is organised into three business segments – Castor Oil, Derivatives and Power Generation.

## (d) Outlook

The long term demand outlook for your Company's products remains positive. With the price of castor oil falling and the crude oil prices improving the near term prospects look better than the previous year. Emphasis on green eco-friendly products is likely to lead to increase in innovation of new products and uses of castor oil by the chemical industry.

Your Company continues to invest in Research & Development to tap on new growth opportunities. Your Company is also undertaking a backward integration program in order to increase the availability of castor seeds. Barring unforeseen circumstances, your Directors expect satisfactory growth.

## (e) Risks and Concerns

The Company's products are used across geographies in a variety of industries, thereby to a great extent, mitigating the risks associated with demand for its products on a long-term basis. The price behavior of raw material depends on the weather pattern in the castor growing regions, monsoon in these regions, global demand and inventory, and prices of other oils, agricultural products and including Crude Oil and therefore can be volatile as well as unpredictable. The Company is closely watching the development of factors affecting the castor seed prices.

The Company restricts its exposure to the price fluctuation of raw materials by limiting its unhedged exposure.

With the business of the Company growing steadily and demand for trained and experienced manpower in excess of the supply, the risk of managing the people is very big. The Company has to retain its existing trained workforce and also attract new talent for its different operations. To improve the performance of the staff at work, various refresher training courses are organized to update their knowledge with the latest technologies and management ideas.

The demand for castor oil and its products is dependent on the overseas markets as more than 80% of the industries production is exported. The threat of new entrants and competition due to aggressive trading policies adopted by them continue to be of concern.

The Company has focused its efforts on marketing and introducing new products thereby mitigating to a certain extent, the effect of recession / slowdown in the industry.

Financialization of commodities, unrestricted speculation and high volatility, diversion of castor seeds to the financiers in large quantities due to trading in commodity exchange could have a negative effect on the growth of the industry

Your Company has been engaged in several legal cases in connection with or incidental to its business operations. These include service, excise and customs cases, etc. filed by and against the Company. These cases are being pursued with due importance and in consultation with legal experts in the respective areas. Your Board believes that the outcome of these cases is unlikely to cause a material adverse effect on the company's profitability or business performance.

Your Company has a contingent liability of ₹153.08 lacs as on March 31, 2016. Attention of the shareholders is drawn to the explanations mentioned in point no. 32 of the Notes to Financial statements forming integral part of the balance sheet as on March 31, 2016. In view of the present status and based on legal advice received, your Board of Directors are of the opinion that no provision is required to be made against these contingent liabilities as of now.

### Forward Looking Statement

*This report contains forward looking statements that are based on our current expectations, assumptions, estimates and projections. We have tried, wherever possible to identify such statements by using words such as anticipates, estimates, expects, plans, believes and words of similar substance in connection with any discussion of future performance. Stakeholders are urged to pay careful attention to the risk factors described in this report. One or more of these risks could have an adverse effect on the Company or its group Companies activities and financial results. Furthermore, other risks not yet identified or considered as not material by the group could have the same adverse effect. All the forward looking statement included in this report are based on information available to us on the date of issue of this report. The Company do not undertake to update the said statements to reflect the future events or circumstances unless required under the statute.*

### 6. Awards and Recognition

Your Company and its subsidiary Ihsedu Agrochem Private Limited were awarded with the "Trishul Award" and "Award of Excellency" respectively, by CHEMEXCIL (Basic Chemicals Pharmaceuticals & Cosmetics Export Promotion Council) for the outstanding export performance for the year 2014-15.

### 7. Material changes and commitments affecting the financial position of the company which have occurred between the end of the financial year of the company to which the financial statements relate and the date of the report

There has been no Material changes occurred subsequent to the close of the financial year of the Company to which the balance sheet relates and the date of the report.

### 8. Performance / Financial Position of each of subsidiaries / associates / joint venture companies as included in the consolidated financial statements

The Company (including its subsidiaries and associates) operates in three segments:

#### 1. Consolidated Results :

The consolidated revenue of the Company has been ₹137,996.72 Lacs against ₹158,752.00 Lacs in the previous year. The EBDITA was ₹7,751.25 lacs current year and ₹6,477.53 lacs for the previous year. Depreciation has been computed in accordance with the New Companies Act, 2013 and the estimates of the use life made by the management and certified by a Chartered Engineer. However, the finance cost of the Company reduced during the year under review as compared to the finance cost of the previous year.

#### 2. Derivatives:

## INDEPENDENT AUDITOR'S REPORT

To the Members of

**Jayant Agro-Organics Limited**

### Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **JAYANT AGRO-ORGANICS LIMITED**, which comprises the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In

making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flow for the year ended on that date.

### Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has discussed the impact of pending litigations on its financial position in Note 32 of the Financial Statements.
- ii. Since company did not have any long term contracts including of derivatives, there are no material foreseeable losses on account of such contracts.

### ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS JAYANT AGRO-ORGANICS LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") We have audited the internal financial controls over financial reporting of Jayant Agro-Organics Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by The Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

The Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls

Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### Note 25: Significant Accounting Policies

#### A. Basis of Accounting

The financial statements are prepared to comply in all material respects with the mandatory Accounting Standards under section 133 of the Companies Act, 2013 (as amended). The financial statements have been prepared under the historical cost convention on an accrual basis in accordance with the generally accepted accounting principles in India.

#### B. Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of the financial statements and the results of operations during the period. Although these estimates are based upon management's best knowledge of current events, plans and actions, actual results could differ from these estimates. Any revision to accounting estimates and assumptions are recognised prospectively.

#### C. Fixed Assets

Tangible assets are stated at cost less accumulated depreciation and net of impairment, if any. Cost comprises the purchase price and any attributable / allocated cost of bringing the asset to its working condition for its intended use. The cost also includes direct costs and other related incidental expenses.

Intangible assets are stated at cost less accumulated amortisation and impairment losses, if any. Cost comprises the acquisition price, development cost and any attributable / allocable incidental cost of bringing the asset to its working condition for its intended use.

Capital work in progress is stated at cost less impairment losses, if any. Cost comprises of expenditure incurred in respect of capital projects under development and includes any attributable / allocable

cost and other incidental expenses. Revenue earned, if any, before capitalisation from such capital projects are adjusted against the capital work in progress.

Borrowing costs relating to acquisition/ construction/ development of tangible assets, intangible assets and capital work in progress which takes substantial period of time to get ready for its intended use are also included to the extent they relates to the period till such assets are ready to be put to use.

#### D. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition of qualifying asset or for long - term project development are capitalised as part of their costs. Borrowing costs are considered as part of the asset cost when the activities that are necessary to prepare the asset for their intended use are in progress. Other borrowing costs are recognized as an expense, in the period in which they are incurred.

#### E. Depreciation

##### Tangible Assets

Depreciation on assets is provided from the date of asset is put to use on straight line method as per the useful life of the assets estimated by the management or at the rates prescribed under Schedule II of the Companies Act, 2013.

Depreciation method, useful life and residual value are reviewed periodically.

Assets of ₹ 5,000/- or less are fully depreciated in the year of purchase.

Assets on lease is amortized over the period of lease.

Leasehold Land is amortized over the period of lease.

##### Intangible Assets

Intangible Asset is amortised using straight line method over the estimated useful life, not exceeding 5 years. Amortisation method, useful life and residual value are reviewed periodically.

#### F. Research and Development

Revenue expenditure on research and development is recognized as an expense in the year in which it is incurred and the expenditure on capital assets is depreciated on straight line method at the rates prescribed in Schedule II of the Companies Act, 2013.

#### G. Valuation of Inventories

Inventories are valued at lower of cost and net realizable value except by-products which are valued at net realizable value.

## NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

Cost of inventories of finished goods and work-in-progress includes material cost, cost of conversion and other costs.

Cost of inventories of raw material, material cost of finished goods as well as work-in-progress, Chemicals, Packing Materials, stores and spare parts are valued at weighted average cost.

### H. Revenue Recognition

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Sales are recognized when goods are supplied. Turnover includes sale of goods, services, scrap, export incentives and are net of sales tax/value added tax, excise duty and service tax.

Dividend income is recognized when right to receive the payment is established by the Balance Sheet Date.

Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

Revenue from services is recognised pro-rata over the period of the contract as and when services are rendered.

### I. Accounting of Claims

Claims receivable are accounted at the time when such income has been earned by the Company depending on the certainty of receipts. Claims payable if any, are accounted at the time of acceptance.

Claims raised by Government Authorities regarding taxes and duties, which are disputed by the Company, are accounted based on the merits of each claim.

Export incentive and duty drawback claims are accounted on accrual basis.

### J. Foreign Currency Transactions

Foreign currency transactions are accounted for at the exchange rates prevailing at the date of the transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities on the closing date denominated in foreign currencies are recognized in the Statement of Profit and Loss as per AS 11. In case such monetary items are covered by forward contracts, gain or loss on the same is accounted in the statement of profit and loss as per AS 11.

**Hedge Reserve:** In order to recognize the impact of fluctuation in foreign currency rates arising out of instruments acquired to hedge highly probable forecast

transactions, in appropriate accounting periods, the Company applies the principles of recognition set out in the Accounting Standard 30- Financial Instruments - Recognition and Measurement (AS-30) as suggested by the Institute of Chartered Accountants of India. Accordingly, the unrealized gain/(loss) (net) consequent to foreign currency fluctuations, in respect of effective hedging instruments, represented by simple forward covers, to hedge future exports, are carried as a Hedging Reserve and ultimately set off in the statement of Profit and Loss when the underlying transaction arises.

### K. Sundry Debtors

Sundry debtors are stated after writing off debts which are not recoverable. Adequate provision is made for debts if considered doubtful.

### L. Impairment of Assets

Fixed assets are reviewed for impairment whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. An impairment loss is recognized in the Statement of Profit and Loss if the carrying amount of an asset exceeds its recoverable amount.

### M. Employee Benefits

#### Defined Contribution Plan

Retirement benefits in the form of contribution to provident fund and pension fund are charged to statement of profit and loss.

Entitlements to annual leave and sick leave are recognized when they accrue to the employees. Sick leave can only be availed and annual leave can either be availed or encashed subject to a restriction on the maximum number of accumulation of leave. Provision for Leave Encashment is based on year end leave balance.

#### Defined Benefit Plan

The liability in respect of defined benefit plans and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. Company has taken a policy from Life Insurance Corporation of India ("LIC") to meet its gratuity obligations and contributes annual premium to the fund maintained by LIC. Company has made appropriate provision for payment of gratuity to those employees which are not covered under the gratuity scheme so managed by LIC.

## NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

### N. Proposed Dividend

Dividend recommended by the Board of Directors is provided for in the accounts, pending approval at the Annual General Meeting.

### O. Taxes on Income

#### Current Tax

Current tax is determined as the amount of tax payable in respect of taxable income for the year after availing exemptions and deductions at the rates applicable under the Income Tax Act, 1961.

#### Deferred Taxation

Deferred tax reflects the tax effects of timing differences between accounting income and the taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantially enacted by the Balance Sheet date. Deferred tax assets are recognized only if there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets, if any, are reviewed at each Balance Sheet date to reassess realization.

#### Minimum Alternative Tax (MAT)

Minimum Alternative Tax credit is recognised as an asset only when and to the extent there is converging evidence that the Company will pay normal income tax during the specified period. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of MAT under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the MAT Credit Entitlement asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will be able to utilise the MAT Credit Entitlement within the period specified under the Income Tax Act, 1961.

### P. Earnings Per Share (EPS)

A basic earning per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon

conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues, including for changes effected prior to the approval of the financial statements by the Board of Directors.

### Q. Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

### R. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably may not, require an outflow of resources. A contingent liability also arises in rare cases where there is a probable liability that cannot be recognized because it cannot be measured reliably.

Where there is a possible obligation or a present obligation such that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognized in the financial statements as this may result in the recognition of income that may never be realised.

### S. Cash and Cash Equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

## NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

### T. Current / Non-Current Classification

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

### U. Leases

#### Where the Company is the Lessee

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating lease. Operating lease payments are recognised as an expense in the statement of profit and loss on straight line basis over the lease term, unless there is another systematic basis which is more representative of the time pattern of the lease.

#### Where the Company is the Lessor

Assets representing lease arrangements given under operating leases are included in fixed assets. Lease income is recognised in the statement of profit and loss on straight line basis over the lease term, unless there is another systematic basis which is more representative of the time pattern of the lease.

Initial direct costs are recognised immediately in the statement of profit and loss.

### V. Segment Reporting

#### Identification of Segments

The Company's Operating businesses are organised and managed separately according to the nature of products and services provided with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

#### Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

#### Unallocable Items

Includes general corporate income and expense items which are not allocated to any business segment.

#### Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

### NOTES ON FINANCIAL STATEMENTS FOR THE YEARENDED MARCH 31, 2016

#### Note 40: Segment Information

The business segment has been considered as the primary segment. The Company is organized into three business segments namely Castor Oil, Derivatives and Power Generation. These business segments have been identified considering the customers, the differing Risks and Returns and the Internal Financial Reporting System. Segment revenue, results, assets and liabilities have been accounted for on the basis of their relationship to the operating activities of the segment and the amounts allocated on a reasonable basis. The accounting principles consistently used in the preparation of the financial statements are also consistently applied to record income and expenditure in individual segments. These are as set out in the significant accounting policies. Income and direct expenses in relation to segments are categorized based on items that are individually identifiable to that segment, while the remainders of the costs are categorized in relation to the associated turnover of the segment.

Certain expenses such as depreciation, which form a significant component of total expenses, are not specifically allocable to specific segments as the underlying services are used interchangeably. The Company believes that it is not practical to provide segment disclosures relating to those costs and expenses, and accordingly these expenses are separately disclosed as "unallocated" and directly charged against total income. Fixed assets used in the Company's business or liabilities contracted have been identified to the reportable segments.

### INDEPENDENT AUDITOR'S REPORT

To the Members of

Jayant Agro-Organics Limited

#### Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Jayant Agro-Organics Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its jointly controlled company, comprising of the Consolidated Balance Sheet as at March 31, 2016, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

#### Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Jointly controlled company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its jointly controlled company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those

Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and jointly controlled entities as at March 31, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

## ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS JAYANT AGRO-ORGANICS LIMITED.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2016, We have audited the internal financial controls over financial reporting of **Jayant Agro-Organics Limited** (hereinafter referred to as "the Holding Company") and its subsidiary companies and jointly controlled company, which are companies incorporated in India, as of that date.

### Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding company, its subsidiary companies, and jointly controlled company, which are

companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the

Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to

permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Holding Company, its subsidiary companies and jointly controlled companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

#### Note 25: Corporate Information

Jayant Agro-Organics Limited (the "Company" or "JAOL") was incorporated on May 7, 1992. The company, a public limited company, and its subsidiaries (together referred to as the "Group") and jointly controlled entity are mainly engaged in manufacturing and trading of various grades of castor oil and its derivatives.

#### Note 26: Significant Accounting Policies

##### A. Basis of Accounting

The financial statements are prepared to comply in all material respects with the mandatory Accounting Standards under section 133 of the Companies Act, 2013 (as amended). The financial statements have been prepared under the historical cost convention on an accrual basis in accordance with the generally accepted accounting principles in India.

##### B. Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of the financial statements and the results of operations during the period. Although these estimates are based upon management's best knowledge of current events, plans and actions, actual results could differ from these estimates. Any revision to accounting estimates and assumptions are recognised prospectively.

##### C. Principles of Consolidation

The consolidated financial statements are prepared using the financial statements of the Group, its subsidiaries and joint ventures. The consolidated financial statements have been prepared in accordance with Accounting Standard ('AS') - 21 'Consolidated Financial Statements' and AS - 27 'Financial Reporting of Interests in Joint Ventures', other applicable accounting standards, as applicable, notified by the Companies (Accounts) Rules, 2014 (as amended).

The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events, in similar circumstances, to the extent possible on the following basis:

##### Subsidiaries

The financial statements of the subsidiaries are consolidated on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses after fully eliminating intra-group balances/transactions and resulting elimination of unrealised profits and losses, if any.

Minority interest, if any, in the net assets value of consolidated subsidiaries consist of -

- The amount of equity attributable to minority shareholders as at the date of its investment or the date immediately preceding the date of investments in the subsidiary;

- The minority shareholders' share of movements in equity since the date the holding subsidiary relationship came into existence

##### Joint Ventures

The financial statements of joint ventures are consolidated using the proportionate consolidation method and accordingly, Group's share of the assets, liabilities income and expenses of jointly controlled operations / entities / assets, as the case may be, is consolidated as per AS - 27 - 'Financial Reporting of Interests in Joint Ventures'.

The excess of cost, if any, to the Group of its investments in the joint venture over the Group's portion of equity of the joint venture, as at the date of its investment or the date immediately preceding the date of investment, is recognised in the consolidated financial statements as goodwill, which is tested for impairment, if any, at balance sheet date.

The excess, if any, of Group's portion of equity of the joint venture over the cost to the Group of its investment in joint venture as at the date of its investment or the date immediately preceding the date of investment is treated as capital reserve.

Depending upon the terms of agreement between the partners, the Associate can be a Subsidiary under AS - 23 or Jointly controlled entity under AS - 27 and the financial statements are consolidated accordingly.

##### D. Fixed Assets

Tangible assets are stated at cost less accumulated depreciation and net of impairment, if any. Cost comprises the purchase price and any attributable / allocated cost of bringing the asset to its working condition for its intended use. The cost also includes direct costs and other related incidental expenses. Pre-operative expenses including trial run expenses (net of revenue) are capitalized.

Intangible assets are stated at cost less accumulated amortisation and impairment losses, if any. Cost comprises the acquisition price, development cost and any attributable / allocable incidental cost of bringing the asset to its working condition for its intended use.

Capital work in progress is stated at cost less impairment losses, if any. Cost comprises of expenditure incurred in respect if capital projects under development and includes any attributable / allocable cost and other incidental expenses. Revenue earned, if any, before capitalisation from such capital projects are adjusted against the capital work in progress.

Borrowing costs relating to acquisition/ construction/ development of tangible assets, intangible assets and capital work in progress which takes substantial period of time to get ready for its intended use are also included to the extent they relates to the period till such assets are ready to be put to use.

## NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

### E. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition of qualifying asset or for long - term project development are capitalised as part of their costs. Borrowing costs are considered as part of the asset cost when the activities that are necessary to prepare the asset for their intended use are in progress. Other borrowing costs are recognized as an expense, in the period in which they are incurred.

### F. Depreciation

#### Tangible Assets

Depreciation on assets is provided from the date of asset is put to use on straight line method as per the useful life of the assets estimated by the management or at the rates prescribed under Schedule II of the Companies Act, 2013.

#### Intangible Assets

Intangible Asset is amortised using straight line method over the estimated useful life, not exceeding 5 years. Amortisation method, useful life and residual value are reviewed periodically.

### G. Research and Development

Revenue expenditure on research and development is recognized as an expense in the year in which it is incurred and the expenditure on capital assets is depreciated on straight line method at the rates prescribed in Schedule II of the Companies Act, 2013.

### H. Valuation of Inventories

Inventories are valued at lower of cost and net realizable value except by-products which are valued at net realizable value.

Cost of inventories of finished goods and work-in-progress includes material cost, cost of conversion and other costs.

Cost of inventories of raw material, material cost of finished goods as well as work-in-progress, Chemicals, Packing Materials, stores and spare parts are valued at weighted average cost.

### I. Revenue Recognition

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Sales are recognized when goods are supplied. Turnover includes sale of goods, services, scrap, export incentives and are net of sales tax/value added tax, excise duty and service tax.

Dividend income is recognized when right to receive the payment is established by the Balance Sheet Date.

Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable.

Revenue from services is recognised pro-rata over the period of the contract as and when services are rendered.

### J. Accounting of Claims

Claims receivable are accounted at the time when such income has been earned by the Company depending on the certainty of receipts. Claims payable if any, are accounted at the time of acceptance.

Claims raised by Government Authorities regarding taxes and duties, which are disputed by the Company, are accounted based on the merits of each claim.

Export incentive and duty drawback claims are accounted on accrual basis.

### K. Foreign Currency Transactions

Foreign currency transactions are accounted for at the exchange rates prevailing at the date of the transaction. Gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities on the closing date denominated in foreign currencies are recognized in the Statement of Profit and Loss as per AS 11. In case such monetary items are covered by forward contracts, gain or loss on the same is accounted in the statement of profit and loss as per AS 11.

**Hedge Reserve :** In order to recognize the impact of fluctuation in foreign currency rates arising out of instruments acquired to hedge highly probable forecast transactions, in appropriate accounting periods, the Company applies the principles of recognition set out in the Accounting Standard 30- Financial Instruments - Recognition and Measurement (AS-30) as suggested by the Institute of Chartered Accountants of India. Accordingly, the unrealized gain/(loss) (net) consequent to foreign currency fluctuations, in respect of effective hedging instruments, represented by simple forward covers, to hedge future exports, are carried as a Hedging Reserve and ultimately set off in the statement of Profit and Loss when the underlying transaction arises.

### L. Sundry Debtors

Sundry debtors are stated after writing off debts which are not recoverable. Adequate provision is made for debts if considered doubtful.

### M. Impairment of Assets

Fixed assets are reviewed for impairment whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. An impairment loss is recognized in the Statement of Profit and Loss if the carrying amount of an asset exceeds its recoverable amount.

### N. Employee Benefits

#### Defined Contribution Plan

Retirement benefits in the form of contribution to provident fund and pension fund are charged to statement of profit and loss.

## NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

Entitlements to annual leave and sick leave are recognized when they accrue to the employees. Sick leave can only be availed and annual leave can either be availed or encashed subject to a restriction on the maximum number of accumulation of leave. Provision for Leave Encashment is based on year end leave balance.

### Defined Benefit Plan

The liability in respect of defined benefit plans and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services. Company has taken a policy from Life Insurance Corporation of India ("LIC") to meet its gratuity obligations and contributes annual premium to the fund maintained by LIC. Company has made appropriate provision for payment of gratuity to those employees which are not covered under the gratuity scheme so managed by LIC.

### O. Taxes on Income

#### Current Tax

Current tax is determined as the amount of tax payable in respect of taxable income for the year after availing exemptions and deductions at the rates applicable under the Income Tax Act, 1961.

#### Deferred Taxation

Deferred tax reflects the tax effects of timing differences between accounting income and the taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantially enacted by the Balance Sheet date. Deferred tax assets are recognized only if there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets, if any, are reviewed at each Balance Sheet date to reassess realization.

#### Minimum Alternative Tax (MAT)

Minimum Alternative Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified

period. In the year in which the Company recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of MAT under the Income Tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the MAT Credit Entitlement asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will be able to utilise the MAT Credit Entitlement within the period specified under the Income Tax Act, 1961.

### P. Earnings Per Share (EPS)

A basic earning per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues, including for changes effected prior to the approval of the financial statements by the Board of Directors.

### Q. Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

## NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

### S. Provisions and Contingent Liabilities

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably may not, require an outflow of resources. A contingent liability also arises in rare cases where there is a probable liability that cannot be recognized because it cannot be measured reliably.

Where there is a possible obligation or a present obligation such that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognized in the financial statements as this may result in the recognition of income that may never be realised.

### T. Proposed Dividend

Dividend recommended by the Board of Directors is provided for in the accounts, pending approval at the Annual General Meeting.

### U. Cash and Cash Equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks and corporations. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

### V. Current / Non-Current Classification

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities

### W. Leases

#### Where the Company is the Lessee

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating lease. Operating lease payments are recognised as an expense in the statement of profit and loss on straight line basis over the lease term, unless there is another systematic basis which is more representative of the time pattern of the lease.

#### Where the Company is the Lessor

Assets representing lease arrangements given under operating leases are included in fixed assets. Lease income is recognised in the statement of profit and loss on straight line basis over the lease term, unless there is another systematic basis which is more representative of the time pattern of the lease.

Initial direct costs are recognised immediately in the statement of profit and loss.

### X. Segment Reporting

#### Identification of Segments

The Company's Operating businesses are organised and managed separately according to the nature of products and services provided with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

#### Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

#### Unallocable Items

Includes general corporate income and expense items which are not allocated to any business segment.

#### Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

### NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2016

#### Note 42: Segment Information

The business segment has been considered as the primary segment. The Company is organized into three business segments namely Castor Oil, Derivatives and Power Generation. These business segments have been identified considering the customers, the differing Risks and Returns and the Internal Financial Reporting System. Segment revenue, results, assets and liabilities have been accounted for on the basis of their relationship to the operating activities of the segment and the amounts allocated on a reasonable basis. The accounting principles consistently used in the preparation of the financial statements are also consistently applied to record income and expenditure in individual segments. These are as set out in the significant accounting policies. Income and direct expenses in relation to segments are categorized based on items that are individually identifiable to that segment, while the remainders of the costs are categorized in relation to the associated turnover of the segment.

Certain expenses such as depreciation, which form a significant component of total expenses, are not specifically allocable to specific segments as the underlying services are used interchangeably. The Company believes that it is not practical to provide segment disclosures relating to those costs and expenses, and accordingly these expenses are separately disclosed as "unallocated" and directly charged against total income. Fixed assets used in the Company's business or liabilities contracted have been identified to the reportable segments.
