

PRESS RELEASE

27th September 2022

Jayant Agro Group updates its Business Code of Conduct for its suppliers and Purchase Order Terms and Conditions.

Jayant Agro Group has released new and improved PO Terms and Conditions and Business Code of Conduct for Suppliers interalia following the UN Principles of Environment, Social and Governance. The said code is now available on the website of the Company.

The Group is committed to the principles outlined in the code and expects its suppliers to adhere to them as well. Key changes in the updated code include increased guidance and clarity on ESG (Environmental, Social and Governance), including establishing commitments and continuous improvement targets on environmental and social impacts. Observing the mandatory requirements specified in the Code are prerequisites to any collaboration with the Jayant Agro Group. The Group strives to work with suppliers who not only adhere to its mandatory requirements but also apply best practices, allowing for continuous improvement.

As the Sustainability practices are also evolving, the Jayant Agro Group will continue to work on the best practices and advance its code further to meet the ever-evolving requirements. The Jayant Agro Group expects its supplier to join them and share in this dynamic journey for a sustainable future.

ABOUT JAYANT AGRO-ORGANICS LTD.

Jayant Agro group manufactures widest range of castor oil based chemicals and specialty chemicals in the world with a group turnover of over Rs. 25 Billion. The Jayant Agro group is actively working with farmers, providing high quality hybrid seeds and engaged in the best sustainable practices to supply certified castor oil and various castor oil based oleo-chemicals. It's Research and Development centre is focused on developing new products and applications based on castor oil and its derivatives delivering much more than molecules, converting the molecules to products for markets and turning ideas into solutions. The Group's vision is to provide end to end sustainable solutions across the castor based value chain to its customers. It firmly believes that great solutions are the result of inspiration, hard work, dedication and team work – collaborative efforts to achieve greater synergy and success.

The management of the Group have been pioneers of the castor oil industry in India with experience of over 70 years in the processing of castor seeds into various industrial and specialty chemicals.
